

Dear Parent

Student Return: 6th Years 2017

The new term will commence for your child on **Wednesday, 30th August 2017** at 9.00 am – 3.50 pm. Your child will be allocated their locker number on return. They will need to bring in a small padlock for their locker and a duplicate key to be given to the caretaker.

From September 2017 the Department of Education has instructed all Secondary Schools to ensure that classes are a minimum of 40 minutes in duration. As a consequence, we have had to restructure our timetable and in consultation with the other secondary schools in our locality and Bus Eireann we have established a later pick up time for the bus service, Monday to Thursday and collection at lunchtime on a Friday. The following timetable has been ratified by our Board of Management.

New Extension and Maintenance Works

Planning permission has been sought for an eight-classroom extension (this includes a science room and a home economics room). This building will be completed for September 2018. We are also overhauling all the electrical wiring/sockets in the school and replacing the ceilings throughout. These electrical and structural works will commence at the end of the State Examinations and be ready for the new academic year 2017/18. Between these two projects the school will have a complete facelift and increase student capacity in the school.

Student Reports

Please note that all students have received their on-line username and passcodes to view their school reports. This has proved very successful. Students are not able to view their Discipline Record; this can only be viewed by parents. If you would like to get your username and passcode reissued please email [**roscomcol@eircom.net**](mailto:roscomcol@eircom.net) and we will text on your details. In line with our Green Schools policy and the operation of a more effective cloud based solution for parents, students and teachers, reports will be available online on a continuous basis.
