Evening Study Times and Regulations

Monday – Thursday: 4 pm – 5:50 pm

Friday: 2 pm – 4 pm

The aim of the Evening Study Programme is to provide students with a safe, quiet and warm environment to study after school. To ensure that this environment is maintained the following regulations need to be adhered to by the school, parents/guardians and the registered student.

1. The Evening Study Co-Ordinator will contact parents or guardians by text if a student is not present at evening study.
2. Students are allowed a five minute break half way through study but must remain in the school building. It is students' responsibility to return to the study hall on time, with their required materials. Students will not be permitted into the study hall after commencement. Required materials/toilet breaks are to be taken before or during the allocated breaks to avoid disruption.
3. Students and staff must maintain a quiet environment for students. Any disruption, breach of school rules or disrespect for students or staff will be noted on the students Discipline Sheet/ePortal system and school disciplinary procedures applied. Therefore, detention/ suspension may apply.
4. Use of mobile phones/iPods/electronic equipment (unless Dept. of Education authorised) are not permitted during study.
5. Students deemed to be unsuitable for the Evening Study Programme because of behavioural problems will be removed from the programme. Fees are non-refundable.
