Dear Parent

On behalf of the students and staff of Roscommon Community College, we are delighted to announce the formation of our Parent's Association for 2022/23. The Parent's Association is the structure through which parents/guardians in a school can work together for the best possible education of their children.

Although the Parent's Association may organise many activities, these activities should all assist the association to achieve its two main roles within the school:

- To work in partnership with the Deputy Principal, Principal, Board of Management and the whole school community for the betterment of the children in the school;
- To support and empower parents to be active in the best interests of their children's educational lives.

To commence the year, you are cordially invited to attend a social evening in Roscommon Community College at **7.30 pm on Thursday, 8th September 2022** which will begin with informal gathering and refreshments. Following this, we will discuss the social component of the committee for parents, briefly outline the function and role of the Parent's Association, review nominations and elect our new committee. The positions to be filled are as follows:
