

Dear Parents,

We would like to thank you for all of your support in responding the school closures. While the school is closed, the school email address, info.roscommon@gretb.ie is still being attended to and the school phone number 0906626670 is still being answered.

Parents and students may still have questions about their learning at this time. I hope that this will answer some of your questions.

Teachers are working remotely at this time and providing work for students. This means that students work will be delivered to student online.

All students have been given email addresses and passwords. This is the main point of contact with their teachers. They will receive work from their teachers via email. All students should download MS Outlook on to their phones.
