

# **COVID Protection Procedures**

**Help us to keep our students and staff safe.**

**Please wear your mask at all times when you are a distance of less than 2m from any other person.**

**Masks must be plain and cannot have any logos or offensive designs.**

## **On Arriving to school:**

Sanitise your hands

Following all one way directions, enter your classroom and sit in your assigned seat.

Sanitise your desk and chair before you sit down

Get yourself ready for your next class

Ask permission to leave the room if you need to go to the bathroom

## **Toilets:**

Only one person allowed to leave the room at any time for social distancing reasons

Go directly to the bathroom

Wash your hands for at least 15 seconds and dry them

Sanitise your hands when you go back to the classroom (Sanitiser only works on clean hands)

## **Little Break:**

Remain in your seat while eating

### **Big Break:**

All first years must remain on the premises

Observe physical distancing (1m) when collecting your lunch

Observe social distancing (2m) when eating your lunch

Observe social distancing (2m) and walk around and get as much fresh air and exercise as possible

### **Changing classes:**

Collect your books and put them in your bag.

Bring all personal items with you

Walk at a physical distance (1m) when on the corridors

Go directly to your next class and do not stop and chat with anyone (greeting your friends briefly is absolutely fine)

Go to your assigned seat row by row starting from the back of the room

Sanitise your area before you sit down

Remain in your seat unless you get permission from the teacher to leave your seat

### **PE**

On the day you have PE you should wear your PE gear in to school, you will not be required to change out of your PE gear.

You may need to bring your uniform on PE day in case you get wet.
