Evening Study Regulations

Monday – Thursday: 4 pm – 5:45 pm

Friday: 1.50 pm – 3.50 pm

The aim of the Evening Study Programme is to provide students with a safe, quiet, and warm environment to study after school. To ensure that this environment is maintained, the school, parents/guardians, and registered students must follow the following regulations.

1. Parents are not required to contact the school if their son/daughter is unable to attend. For security reasons, when a student is not present in the classroom, a text message will be automatically sent advising parents of the same.
2. Students are allowed a ten-minute break halfway through study but must remain in the school building. The students must return to the study hall on time with their required materials. Students will not be permitted into the study hall after commencement. Required materials/toilet breaks are to be taken before or during the allocated breaks to avoid disruption.
3. Students and staff must maintain a quiet environment for students. Any disruption, breach of school rules or disrespect for students or staff will be noted on the student's Discipline Record/vsware system and school disciplinary procedures will be applied. Therefore, detention/ suspension may apply.
4. The use of mobile phones, iPods, and electronic equipment (unless the Department of Education has authorised it) is not permitted during study unless permission is given by the Evening Study Coordinator.
5. Students deemed to be unsuitable for the Evening Study Programme because of behavioural problems will be removed from the programme. Fees are non-refundable.

I have read the rules and regulations, and we agree to comply.
